

## Global Leadership Initiatives

Virgin Unite works closely with partners to incubate new approaches to gaps in global leadership. We identify the gap, build the plan, find partners, recruit great management teams and then launch these new initiatives, such as The Elders, The Carbon War Room and most recently The B Team.

Virgin Unite are incredibly lucky in that 100%, yes all of our overheads, are covered by Richard Branson and the Virgin Group, meaning that all donations received, go direct to the frontline where they are needed most. For more information, go to [www.VirginUnite.com](http://www.VirginUnite.com)
